

# The Old Mill House

Riverside Holiday Apartment, Dorset

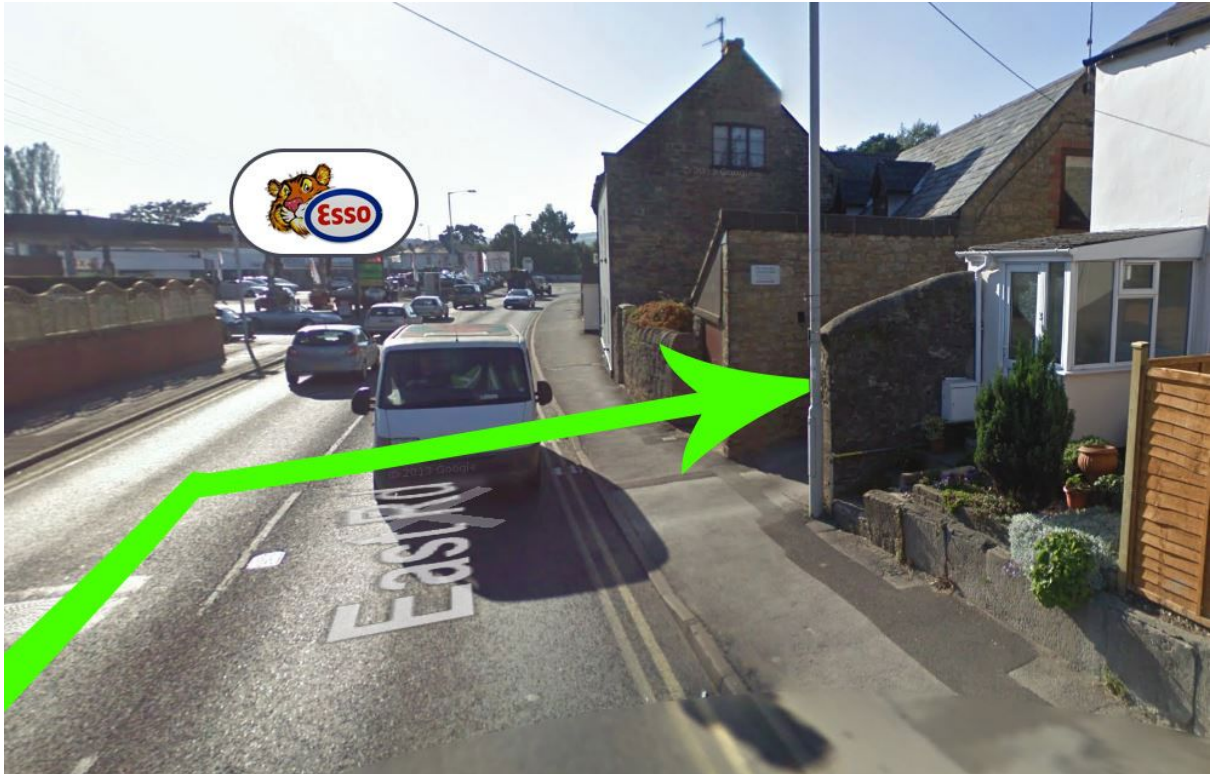

1 East Road, Bridport  
Dorset DT6 4AG  
☎ 01308 422310

## Parking & Entering The House

You will see opposite the Esso our white front porch with black door, we have ample off road parking to the rear of the house accessed through a walled gap between two houses, just, two doors up from our White front porch (heading back in the Dorchester direction).

Coming down the hill into Bridport from the Dorchester direction on the A35, the Esso garage is on your left just before the East Road Roundabout and is your landmark to find us.

Go through this gap, it is signposted "PUBLIC FOOTPATH", but believe us, you can drive your car down there and over a small bridge into our car park. Keeping to the left all the time, park beyond the small breeze block wall and park in the space by our sign written garage.

After parking at the rear of the house, please enter the garden through the gate adjoining the car park. Enjoy a short stroll down the tree-lined path to the footbridge taking you over the River Asker and into the courtyard to the large white door, which is the front of our Riverside Holiday Apartment.

Thank you!
